LOCAL NEWS.

con reach the sayer amounting his approval of eviatic sets.

Also, a communication from the Mayor enclosing memorial from Maj. Gen. O. O. Howard, asking termission to erect a frame building for school surposes adjoining the Colored Beptist church, on street north. Referred to the Police Committee. Also, a gommunication in reply to a resolution massed by the Boardas to whose duty it is to repair he station-house in the Seventh ward. The Mayor taxes that any repairs of the nature of those, as am Informed, contemplated by the resolution hould be at the expense of the owner of the proprity.

The opiation of the Corporation attermy is as follows:

The set to increase the malary of the chief engineer of the Washington city fire department, passed this June, 1886, in terms provides that said increase shall take effect from and after the passed of the act it admits of no construction, but is its own interpreter. The salary should be calculated at the old rate to the 4th of June, 1886, and at the jucreased rate from that day.

The set immediately preceding this, of the same date, relating to the pay of the men, must receive the same interpretation.

The set immediately preceding this, of the same date, relating to the pay of the men, must receive the same interpretation.

The sand interpretation of the fire Department Committee.

Also, a communication from the Board of Fire Commissioners, asking that the additional fire engine (anthorized by acts of April 25 and Korember 7, 1864, and December 2, 1865, he placed in the Metropolitan Hook and Ladder house, the same to be known as the Metropolitan Regine and Hook and Ladder Company, No. 4. Referred to the Fire Department Committee.

Mr. Owen presented the petition of J. T. Lugger, for the remission of 8 feet. Engineers.

and Ladder Company, No. 8. Asserted to the Perparament Committee.

Mr. Owen presented the petition of J. T. Lugger, for the remission of a fine. Referred.

Also, the petition of Mrs. Sarah B. Monroe, asking permission to erect an iron railing outside the building line. Referred.

Mr. Noyse introduced a bill to grade and gravel (Mr. Noyse introduced a bill to grade and gravel (Ninth street west, from E to P street south, Passed.

He also introduced a bill to make gutters on Ninth street west, from F to H streets south. Passed.

Age of the Drainage Committee re-orted back the bill to lay a water main on Third treet east, from D street south to Georgia avenue. Amend.

He also introduced a bill to enclose the public re-ervation, bounded by I and K streets north, and leventeenth etreet west.

Mr. Barr, from the Police Committee, reported inflavorably on the bill changing the name of Pierce treet.

univorably on the bill changing the name of Pierce street.

Also, the bill allowing Henry L. Thomas to sreet a wooden building in square 155.

A lot of testimony was reported by the committee and read; also a petition signed by a number of residente of the Seventh ward, asking Mr. Hepburn's confirmation. After come debate the vote was taken, and the nomination was rejected by the following vote:

Tasa—Mesers. Cross. Guilek, A. Lloyd, McCahran, Noyes and Gwen.

Mays—Mesers. Barr, Ednick, G. E. Lloyd, McCahran, Taft and the President, (T. E. Lloyd, After the vote had been announced, Mr. Edmonston gave notice that on Monday evening next he weeld move to reconsider the vote by which the nomination was rejected, and have the master again before the Board.

The Chair directed the Secretary to enter such notice.

Mr. Owen reported a bill authorizing the Mayor.

olios.
Mr. Owen reported a bill authorizing the Mayor
pay the increased compensation to the members
t the Fire Department from June 30, 1866.

Mr. A. Lloyd stated the motion was in order, and sold be put by the Chair. Mr. L. Lloyd called up the motion of Mr. Monaston to reconsider the vote by which the nomination of Mr. Hepburn was rejected.

The Chair stated the motion was entered for a reconsideration next Monday sysning, and could not now be acted of, Mr. A. Lloyd stated the motion was in order, and should be put by the Chair. Mr. L. grew very action, and said the Chair would not put he question because he was in the interest of the other side.

question because he was in the interest of the other hide.

The Chair called the gentieman from the Fourth ward to order, and notified him that the Chair must not be treated with disrespect. The president disclaimed any intention of acting with any bias, and said Mr. Hepburn should have all his rights. He had no desire to gag Mr. Hepburn or his friends. He acted as he believed to be his duty, and consistent with his oath as an Alderman. Mesers McCathran, Barr and Gulick sustained the decision of the Chair.

The President said to show he acted without bias as would therefore give notice that on next Monday evening he would make the motion to reconsider.

ration.

Mr. T. E. Lloyd said he renewed his motion, and
he same was entered by the secretary.
Several bills were referred, and the Board ad-

A message was received from the Mayor announc-ing that he had approved a joint resolution provid-ing for the reception of the President of the United States.

The Herren New Year.—The Hebrew new year of 5637 commoned yesterday afternoon at the setting of the sum. It is a perfect biassextile year of 363 days. The months of which the Jewish year are composed are innar, but since twelve lunar months would fall short of a solar year by about eleven days, thirty-three years would carry back the beginning of the year, through all the four season, to the same point again; and thus an entire year would be gained from the solar computation.

To obviate this, however, every second or third year an extra month has been added in, which is colled in the four months, of which 5547 it one. These of thirdy months of the collectaintial year; and that in Tishri, which is the beginning of the year of the great of the collectaintial year; and that in Tishri, which is the commencement of the ciril year, and the lister is the one now someoning. The first two days of Tishri are observed in the most soleum manners, as they form the anniversary of swerel events. They commemorate the creation of the world from chaos, and remind an foreibly that from nothing all things sprung and all around is the handlower of the Great Ruler of the Ciry of the great patriates, Abraham. They the proposed of the star of the contract of the world from the solar patriates, abraham. They where the creation of the world from chaos, and remind an foreibly that from nothing all things sprung and all around is the handlower of the Great Ruler of the Ciry of March and the contract of the surface of th
